SRIT's ideas, prototypes and start-ups in the MoE National Innovation Repository

SRIT IN THE YUKTI NATIONAL INNOVATION REPOSITORY

The **YUKTI National Innovation Repository** was set up by the MoE's Innovation Cell. Each institution's IIC scouts, records and verifies the ideas, innovations and start-ups of its students, alumni and faculty, and verified entries can then be linked to incubators, investors and technology-transfer support. SRIT's IIC has built one of the larger institute repositories, with **395 entries**.
